

# Potter Children's Home & Family Ministries

## *Commodities Outreach*

Dear Brothers and Sisters in Christ,

I am asking the **Flatwoods Church of Christ** to consider participating in the Commodities Outreach Program.

We have all seen our grocery bill rise constantly over the past several years. The cost of meat, milk, eggs, fresh fruit and vegetables are higher than we have ever seen. At the present time we have **40 residents** not counting our foster parents and their children. It takes a lot of groceries to feed this group!

We need your help to provide the daily needs of the children.

Could help us in one or more of the following ways:

### **Fresh Foods & Dairy Money**

- As a congregation donate \$500.00 to be used for the purchase of perishable items.
- Individual families donate \$15.00 for perishable items needed for one child's dinner meals for a week.
- A special contribution collected for the daily food items for the children and families that call Potter home.

### **Needed Pantry Items**

Beef Bouillon Cubes  
Honey Bunches of Oats Cereal

### **Other Needed Items**

Women's Deodorant  
Disinfecting Wipes  
Band-Aids

Your help with this project will be greatly appreciated.

*Potter Children's Home and Family Ministries rely solely on the support from the churches of Christ and individuals.*

**Byron Henbest or David Hamilton**

will be in your area

**Week of March 20<sup>th</sup>–25<sup>th</sup>**

If we are blessed with more support than is needed for food costs, the additional income will be applied to the children's daily needs. Thank you so much for your help and consideration for the children cared for at Potter Children's Home & Family Ministries.
