FAITHFUL LIVING IN A FAITHLESS AGE

Our society continues to drift away from the foundations of Christian faith. Many feel we are entering a new Dark Age. These lessons assess our current situation and help Christians understand the importance of faithfulness.

Monday-Wednesday, April 4th-6th- 10:00am

DECISIONS REGARDING END OF LIFE MATTERS

Spiritual & mental preparation recognizing that we are approaching death in a few years and accepting or, as Christians, even welcoming our reward beyond this life. Also, our actual exit from this earth life. There are actions that are legally allowed and medically acceptable, but what should a Christian do?
