GOING WITH THE GOSHORNS

MISSIONARY FAMILY SERVING IN PERU

GETTING SETTLED

This month has been an exciting one. We were finally able to move into our new house! Now that we have our own space we have been able to host Bible studies and English classes, as well as open our home to our friends. We have a lot of interest in both English classes and Bible studies, so please pray that these studies work to further God's kingdom. Since we moved in the kids seem to be getting more settled into their new home. Caleb and Charlie are learning new Spanish words every day and enjoy practicing with our friends. We have also met several of our new neighbors and look forward to the relationships that may be formed with them. We are all finally getting settled into a good routine here.

A WEEK IN THE LIFE

We thought it might be nice to give you all a glimpse into what our week typically looks like. On Sundays we have our main Bible study with a crowd of both Peruvians and Venezuelans. These are contacts we had from previous trips to Peru. We usually meet around 2:30 and end a few hours later with a meal together. On Mondays Audrey has Spanish tutoring. Tuesdays we try to run errands around downtown. On Wednesdays Audrey has Spanish tutoring again and Daniel meets with one of our Venezuelan friends, Bryan, for English and Bible study. Thursdays we head to the "El Tambo" market where we buy most of our groceries for the week. In the afternoon we have Bible study with one of our Peruvian friends, Edi. Fridays we reserve for outings with new friends. We have been invited to soccer games, birthday parties, and women's studies.

We have a few people we meet with for Bible studies throughout the week, but those times vary depending on their schedules. We are enjoying this little groove we have created, but are looking forward to all of the things our schedules will be filled with in the future.

VISA UPDATE

Peru granted us a 90 day tourist visa when we entered the country, which means our visas expired at the end of August. Thankfully the lawyer who we are working with to obtain our residency visa has all of our documents and we finally have an Interpol appointment at the end of September. We will have to travel to Lima (the capitol of Peru) for this appointment. After our Interpol appointment, we will have several more trips to Lima over the coming months for appointments at the immigrations office. Please pray that all of our documents are accepted by the Peruvian government and that these appointments go smoothly.

HOW TO PARTNER WITH US

Prayer

Scripture teaches that God hears the words of His children. Just as Paul coveted the prayers of the early Christians, we too covet the prayers of the believers. As a missionary family living outside the United States, we deeply covet your prayers on our behalf. Please pray for our health and safety, for wisdom and endurance, and that doors may be opened to share the Gospel with the lost.

Visit Us

This work is certainly a rewarding work, but that does not mean it is without its struggles. Leaving our family, friends, and lives in the United States brings its share of difficulties. Having visitors from the States come and experience our daily life with us is both encouraging and rejuvenating. Having teams or individuals come to work alongside us can be a great help to all involved.

Give Financially

Cross-cultural ministry is a partnership, and without financial partners this work cannot happen. Paul had partners in the first century who supported him so the Gospel could be taken to the lost. Likewise, we seek to take the Gospel to the lost and we cannot accomplish this mission without monthly financial support. The Flatwoods church of Christ is our overseeing eldership, and all funds may be mailed directly to the church and made out to "**Flatwoods church of Christ**" with "**Goshorn Mission**" on the memo line. If you would prefer to do direct electronic account transfers, please contact us by phone or email and we can provide that information.
