GOING WITH THE GOSHORNS

MISSIONARY FAMILY SERVING IN PERU

WE HAVE ARRIVED!

On June 3rd we boarded a plane and began our journey to Huancayo! We arrived in Lima late that evening and then the next day we took one last flight up the mountain. Our travels were uneventful and we made it with all of our luggage. Thank you for your prayers for safety as we traveled. It meant so much to us knowing you were lifting us up during this time.

Since we arrived in Huancayo, our days have been spent running around collecting household goods, reconnecting with people we know, and adjusting to our new life here. While we have remained in good health (minus the occasional bout of digestive issues) we did have to make an emergency run to the clinic during our first week because Charlie was having an issue adjusting to the altitude. Thankfully, after a few breathing treatments, she is back to her normal self and hasn't had any issues since.

EXCITING NEWS

One of our first priorities after arriving was finding a house to rent. Unfortunately there aren't many houses for rent right now. Most people were only interested in selling. While we looked at several properties, we weren't having much luck. The properties were either shared houses (houses are often rented by floor here), located on a very busy street in the city, or they were much too fancy for locals to feel comfortable visiting our home. We are so glad to say we have finally found a house that will work for us! We met with the lady who owns the property on the 27th to sign the rental agreement. She is currently living there with her family and needs time to move, so we will not be moving in until August 1st. We are thankful for Daniel's family and their willingness to allow us to stay with them until the house is ready! For those who have asked, we will share our address with you all once we move in.

CONNECTING & RECONNECTING

As we mentioned above, since we arrived we have been reconnecting with several people we know in Huancayo. Several of those people are part of a large group of Venezuelans we had met during our visit last year. We were excited to discover they were still very interested in studying the Bible, so we resumed meeting with them on Sunday mornings. Our first few Bible studies have been very exciting and there seems to be a lot of engagement and questions regarding what the Bible teaches. People have been eager to study and learn God's word. We pray this interest continues and develops into a passion for serving Jesus.

In addition to this group we have met several other people who have asked for Bible studies or English classes. The realtor who helped us find our house has asked us to have a Bible study with her and her husband. While plant shopping, we met a young man who was interested in English classes. Our future land lady asked about English classes for her two children. We have a program ready to go that uses the Bible to teach English and Audrey is excited to implement this program soon!

We are excited about these contacts, both old and new, and their interest in studying with us!

HOW TO PARTNER WITH US

Prayer

Scripture teaches that God hears the words of His children. Just as Paul coveted the prayers of the early Christians, we too covet the prayers of the believers. As a missionary family living outside the United States, we deeply covet your prayers on our behalf. Please pray for our health and safety, for wisdom and endurance, and that doors may be opened to share the Gospel with the lost.

Visit Us

This work is certainly a rewarding work, but that does not mean it is without its struggles. Leaving our family, friends, and lives in the United States brings its share of difficulties. Having visitors from the States come and experience our daily life with us is both encouraging and rejuvenating. Having teams or individuals come to work alongside us can be a great help to all involved.

Give Financially

Cross-cultural ministry is a partnership, and without financial partners this work cannot happen. Paul had partners in the first century who supported him so the Gospel could be taken to the lost. Likewise, we seek to take the Gospel to the lost and we cannot accomplish this mission without monthly financial support. The Flatwoods church of Christ is our overseeing eldership, and all funds may be mailed directly to the church and made out to "**Flatwoods church of Christ**" with "**Goshorn Mission**" on the memo line. If you would prefer to do direct electronic account transfers, please contact us by phone or email and we can provide that information.
