## GOING WITH THE GOSHORNS

MISSIONARY FAMILY SERVING IN PERU

## JUST A LITTLE UPDATE...

We are slowly adjusting to life in the new house. Though it isn't located far from our old house the location has been perfect for those who travel to our Bible studies. We are located between two main roads and close to universities, so public transportation is much easier to find now. All of our usual studies have continued and grown. We have several group studies- I think we have a total of four- in addition to our individual studies throughout the week. Worship has continued in our house every Sunday (and we now have the sign out front to prove it haha). Once the sign was placed we had several neighbors ask us about the church. Please be in prayer for the new souls that we may reach in this area!

The kiddos are both doing well. They are learning more Spanish every day! It's sweet to hear their little voices sing songs from school in the back seats of the car.

# BABY UPDATE

We also wanted to update everyone on our plans for the baby. We found out last month that we will be welcoming another little boy into our family! We are all excited for his arrival. Our current plan is to have the baby here in Peru. We will travel to Lima, the capital of Peru, for the birth around the end of November or beginning of December. We have found an amazing clinic (private hospital) and are confident both Audrey and the baby will receive great care there. Once the baby is born we have to apply for several documents, both from Peru and the United States, before we are able to travel. Our hope is to be able to visit everyone stateside in January or February, but this timeline depends greatly on the paperwork process. Please be in prayer for us, for the birth of our son, and that the paperwork will be processed quickly so we can visit friends and family as soon as possible.

## WE HAD VISITORS!

In September we were so excited to host friends from home! Nathan and Serpell Adkins made the trek down and spent about a week with us here in Huancayo. We were so encouraged by their visit and were thankful to share our every day life with people from home. While they were here both Nathan and Serpell led Bible studies, participated in our worship service, and met most of the people we love here in Huancayo! Hopefully the trip wasn't too disappointing for them. If anyone has any interest in visiting us, please send us a message! We would be happy to discuss planning a visit.

## NEW BROTHER IN CHRIST

While Nathan and Serpell were visiting we did have a baptism! Our friend Arturo was baptized into Christ on September 21st in a very cold mountain river. He has been attending the men's Bible studies and worship services for a little over a month and made the decision to put Christ on in baptism. We have all been encouraged by this growth here in Huancayo. Please be in prayer for Arturo as he begins his walk with Christ.

# HOW TO PARTNER WITH US

## Prayer

Scripture teaches that God hears the words of His children. Just as Paul coveted the prayers of the early Christians, we too covet the prayers of the believers. As a missionary family living outside the United States, we deeply covet your prayers on our behalf. Please pray for our health and safety, for wisdom and endurance, and that doors may be opened to share the Gospel with the lost.

## Visit Us

This work is certainly a rewarding work, but that does not mean it is without its struggles. Leaving our family, friends, and lives in the United States brings its share of difficulties. Having visitors from the States come and experience our daily life with us is both encouraging and rejuvenating. Having teams or individuals come to work alongside us can be a great help to all involved.

## Give Financially

Cross-cultural ministry is a partnership, and without financial partners this work cannot happen. Paul had partners in the first century who supported him so the Gospel could be taken to the lost. Likewise, we seek to take the Gospel to the lost and we cannot accomplish this mission without monthly financial support. The Flatwoods church of Christ is our overseeing eldership, and all funds may be mailed directly to the church and made out to "**Flatwoods church of Christ**" with "**Goshorn Mission**" on the memo line. If you would prefer to do direct electronic account transfers, please contact us by phone or email and we can provide that information.
