GOING WITH THE GOSHORNS

MISSIONARY FAMILY SERVING IN PERU

Sunday Morning Worship

STAYING BUSY.

Things have been so busy for us here in Huancayo! There has scarcely been an evening free for us these last two months. We have continued our regular group studies- the ladies on Tuesdays and two mixed group studies on Wednesdays and Saturdays. We have also had a variety of individual studies with people throughout the week. Dulce consistently meets with Audrey once a week, Sebastian and his friend Fiorella also come to the house once a week, and Moises and his wife meet with Daniel once a week- just to name a few. We also were consistently meeting with Karina up until her baptism at the end of June. We will share more details about her in a bit. The ladies' creative days also continue to be a huge success! Those are every third Saturday of the month. They have brought in new faces to our studies, which is always encouraging!

We would like to say things have been purely sunshine and rainbows these last couple of months, however, that has not been the case. Our numbers continue to fluctuate as we have gained new people in our studies but also lost a couple of regular attendees. It's always very discouraging to see consistent people fall away from our studies, but all we can do is pray and encourage them to return one day soon! We ask for your prayers for these individuals, as well as for the church as whole, that they may not be discouraged by the loss of these people!

CONFERENCE PREP.

We are also excited to be preparing for the arrival of a group of men from Tennessee at the end of July! They have been working hard to prepare for a Bible conference we will be putting on at the church building. While we may not be preparing the actual lessons, we have been busy preparing for their visit as we (very quickly) arrive to their visit. We are so excited to host them and hope this trip will be fruitful for all. We ask for your prayers for these men as they travel to us and for the work they will do here. We pray we meet many new individuals and the church here in Huancayo will grow! We can't wait to share all of the details with you in our next update!

NEW SISTER IN CHRIST!

We are also very excited to share we have a new sister in Christ! Karina Carabajal was baptized into Christ on June 30th. We rejoice in her decision. She was living in Argentina for many years, but returned to Huancayo last year around the time the Flatwoods team was visiting to care for some sick family members. She attended the conference the Flatwoods group put on and has continued studying with us since. She has a son who is still in Argentina and worries about him being alone as he is only 19. We ask for prayers for him! Please pray for our new sister that she continues to grow in her faith and that she finds peace in her life here in Huancayo.

CONTACT US!

As we briefly mentioned above, life can be discouraging here at times. We would love to hear from any and all of you to talk about the work specifically, or just to chat in general! We shared in our last update that we no longer have a working US number since Skype shut down, but we can still be contacted via Facebook, email, or WhatsApp. We are always encouraged by people reaching out to us from home. It encourages us to continue in this work and not feel quite so alone! Our methods of contact are listed on the third page of our newsletter!

HOW TO PARTNER WITH US

Prayer

Scripture teaches that God hears the words of His children. Just as Paul coveted the prayers of the early Christians, we too covet the prayers of the believers. As a missionary family living outside the United States, we deeply covet your prayers on our behalf. Please pray for our health and safety, for wisdom and endurance, and that doors may be opened to share the Gospel with the lost.

Visit Us

This work is certainly a rewarding work, but that does not mean it is without its struggles. Leaving our family, friends, and lives in the United States brings its share of difficulties. Having visitors from the States come and experience our daily life with us is both encouraging and rejuvenating. Having teams or individuals come to work alongside us can be a great help to all involved.

Give Financially

Cross-cultural ministry is a partnership, and without financial partners this work cannot happen. Paul had partners in the first century who supported him so the Gospel could be taken to the lost. Likewise, we seek to take the Gospel to the lost and we cannot accomplish this mission without monthly financial support. The Flatwoods church of Christ is our overseeing eldership, and all funds may be mailed directly to the church and made out to "**Flatwoods church of Christ**" with "**Goshorn Mission**" on the memo line. If you would prefer to do direct electronic account transfers, please contact us by phone or email and we can provide that information.
